Wife of Former Congressman
Francis Burton Harrison Was
the Victim.

SEVERAL INJURED

Accident Caused by Breaking of
the Steering Gear.

CAR RAN AWAY ON STEEP GRADE
NEAR LONG ISLAND CITY
WHILE MRS. HARRISON WAS
RIDING WITH A PARTY OF
FRIENDS--ONE IN SERIOUS CON-
DITION.

By Associated Press.
New York, Nov. 25.—Mrs. Francis
Burton Harrison, wife of former Con-
gressman Harrison, of New York, was
killed to-day by the overturning of an
automobile in which she was riding
with a party of friends from San
Francisco.

The car was running down a steep
hill in Long Island City when a break
in the steering gear caused the acci-
dent. Mrs. Harrison's neck was
broken by the car falling on her.

The other members of the party
were Mr. and Mrs. Laurence I. Scott,
of San Francisco, a student and a
brother of Mrs. Harrison, all of whom
were injured. Mr. Scott suffered a
fractured rib, and is in a serious con-
dition. The chauffeur was slightly
hurt.

Mrs. Harrison was Miss Mary
Crocker, daughter of the late Charles
F. Crocker, of San Francisco, who
left a fortune of between twelve and
fifteen millions to be divided between
three children.

STILL TESTING "JIM CROW" LAW

Colored Attorneys Will Argue
Motion Before Judge Carter
Next Tuesday.

The fight against the "Jim Crow"
law, as passed by the city council, and
which was given its first test last
week, has not yet ended, and the
colored people of Pensacola will push
the case further in an effort to have
the ordinance declared unconstitutional.

Since Court Commissioner Coston
has declared the ordinance legal and
remanded L. B. Crooks, colored, to
jail, the attorneys for the colored peo-
ple have decided upon another move.
This is the filing of a motion to re-
vise, or in other words the case will
be heard by Judge Carter, of this dis-
trict next Saturday, when the colored
attorneys will ask that the decision of
Commissioner Coston be set aside and
that the case be heard again.

Notice of this action was served
upon City Attorney Jones yesterday
afternoon and he will go to Marianna
next Saturday to represent the city.

SMALL FIRE OCCURRED YESTERDAY MORNING

A small fire, but one which for a
short time looked as though it might
result seriously, occurred yesterday
morning at the boarding house of Miss
Anderson, formerly known as Bryan's
infirmary.

The fire originated from a defective
flue, and had been burning between
the roof and ceiling for some time be-
fore it was discovered.

The fire department was summoned
and extinguished the blaze, although
considerable damage had been done
before the men succeeded in putting
out the fire.

yellow fever was reported to-day mak-
ing a total of eight cases now under
treatment.

MAGNOLIA'S OFFICERS WERE NOT AT FAULT

By Associated Press.
New Orleans, Nov. 25.—The
local inspectors today rendered
a decision in the collision be-
tween the United States Fruit
Company steamer Esparta and the
cruiser West Virginia. The
cruiser West Virginia. The
blame is put on the Esparta.
Captain Fields, of the Magnolia,
is exonerated from all blame.

WITNESSES ARE PREPARING TO LEAVE

Most of Them Will Leave on the
Accommodation Train To-night
for Marianna.

The fifty or more witnesses, to-
gether with attorneys and friends
and relatives of Edwin C. Dansby, as well
as of William F. Williams, who is to
be arraigned upon the charge of murder,
were making preparations last
night to depart for Marianna, where
they will remain for several days.

Most of the witnesses and those
who will go to Marianna will leave to-
night on the accommodation train,
reaching Marianna about 6 o'clock
Monday morning. Owing to the large
number to leave here at that hour
Sheriff Van Pelt has consulted with
the Louisville and Nashville officials
and has secured an extra coach for
the occasion.

It is probable that some of those go-
ing from Pensacola will experience
considerable trouble in securing a
hotel or boarding house, as inquiries
made last night by some elicited the
information that all of the rooms in
the hotels and boarding houses had
already been applied for and reserved.

RECORD TARGET PRACTICE OF FLEET

Will Be Held at Pensacola in
March Unless Better Place
Can Be Found.

Washington, Nov. 25.—The general
board has been holding daily sessions,
presided over by Admiral Dewey, the
most important subject under consid-
eration being the report of Rear Ad-
miral Evans, commander in charge of
the North Atlantic fleet, outlining a
plan for winter maneuvers in the
Caribbean sea. It is intended that the
first squadron, consisting of the battle-
ships Maine (flagship), Missouri, Ken-
tucky and Kearsarge; the Alabama
(flagship of the second division), Il-
linois, Iowa and Indiana, and a fourth
division of the third squadron, con-
sisting of the armored cruisers West
Virginia (flagship of Rear Admiral
Brownson), Pennsylvania, Colorado
and Maryland, and one destroyer flo-
tilla, shall rendezvous at Hampton
Roads early in January and proceed
to the Caribbean sea, where drills will
take place.

If his health permits Admiral Dewey
will go South during the exercises,
making the cruise probably on the
Mayflower. Annual record target
practice will be held in March at Pen-
sacola, unless a more suitable place
can be found. Charleston will be
headquarters for the squadron this
winter, and Rear Admiral Dickins
will reassemble ships there the latter
part of this month, and from this base
a squadron, consisting of the second-
class Texas, as flagship, and monitors
Florida, Arkansas and Nevada will
make cruises along the coast for the
purpose of familiarizing the offi-
cers with the waters of important ports
along the Southern Atlantic and Gulf
coasts.

New York, Nov. 25.—Wm. R. Hearst
to-day gained eighty votes in a single
election district, according to the re-
canss of ballots in New York's con-
tested mayoralty election. This gain
was found in the fifteenth election dis-
trict of the twenty-sixth assembly dis-
trict in which the Board of Election
Inspectors was placed under arrest a
few days ago. The Board of County
Canvassers, it is announced, found
errata and numerous other changes
on the tally sheets of this district.

CAN NOW ATTEND WHITE SCHOOLS

By Associated Press.
Asheville, N. C., Nov. 25.—After be-
ing out only fifteen minutes the jury
in the case of the six Gilliland chil-
dren against the Board of Education
of Buncombe county this afternoon
returned a verdict in favor of the plain-
tiff. The children were seeking to
establish their right to attend the
white schools of the county and it has
been charged that they had negro
blood in their veins. There was much
interest in the case. They are de-
endants of a man alleged to be a ne-
gro, but who claimed to be a full
blooded Portuguese who intermarried
into one of the best families.

ERROR BY HARVARD GAVE FOOTBALL GAME TO YALE

RIGHT HALF BACK DEAD

juries Received in Foot-
ball Game.

New York, Nov. 25.—William
Moore, the right half back of the
Union College football team, died to-
night from injuries received in a

was nineteen years old and lived at

DEFENDANT NOT W. H. HUTCHINSON

In The Journal's report yesterday of
Friday's criminal court proceedings,
the name of W. H. Hutchinson ap-
peared as the defendant in a petit em-
bezzlement case. This was an error
for which The Journal hereby apolo-
gizes to the well known gentleman of
that name.

The name should have appeared as
J. H. Hutchinson, a colored man, who
already had a criminal court record.

Of course everyone knows that W.
H. Hutchinson, or "Mr. Hutch," as he
is familiarly known, would not be
guilty of any such crime, and no one
for a minute supposed that he was
the man to whom the report referred.
Nevertheless The Journal takes this
occasion to correct the error and to
express its regret at the unintentional
mistake.

LARGE NUMBER OF SOLDIERS AND MARINES

Large crowds of soldiers, marines
and blue jackets from the forts and
navy yard, came to the city yester-
day afternoon and during the early
portion of the night the streets were
exceedingly lively.

With few exceptions the men were
eagerly, although enjoying themselves
after about three months spent at the
yard and forts, not being afforded the
opportunity of coming to the city on
account of quarantine.

INTERNATIONAL FLEET HAS SAILED

Objective of the Demonstration
Against Turkey Island of
Mitylene.

FLEET HAS SAILED UNDER SEALED ORDERS

Paris, Nov. 25.—It is now definitely
determined that the objective of the
demonstration by the international
fleet will be the Island of Mitylene,
where the customs will be seized, but
the fleet will not act within twenty-
four hours, probably not within forty-
eight. In the meantime the forty-
eight, in the meantime the forty-
ambassadors will continue their dis-
cussions, with some prospect that
Turkey will yield before the fleet acts.

BUCHANAN BILL CASE HEARING

Tallahassee, Nov. 25.—Quo war-
rants proceedings against the Board
of Control to test the constitutionality
of the Buchanan bill are now in full
blast in the Supreme Court. The en-
tire day Friday was spent hearing ar-
guments of Col. A. W. Cockrell and
Hon. Fred T. Myers, attorneys for the
board. The arguments were clear able
and exhaustive. The hearing has at-
tracted numbers of interested list-
eners. Mr. Buchanan will continue the
argument for the Board of Control.

SHEATS-HOLLOWAY CASE IS DRAGGING

Gainesville, Nov. 25.—The jury in
the Sheats-Holloway case was finally
secured and empanelled Friday and
testimony begun. Nine witnesses
were examined during the day, when
court adjourned until night and was
in session until a late hour. Very
few are attending. It is a hard-fought
legal battle, many objections being
made by both sides. It is estimated
that the case will not be concluded
until the middle of the coming week,
as progress is very slow.

But for Nichols' Muffed Punt Game
Would Have Resulted
In a Tie.

IMMENSE CROWDS

Forty-Three Thousand Persons
Witnessed the Contest.

YALE'S TACKLE FORMATION WAS
EASILY SOLVED BY HARVARD
ELEVEN--EVERY INCH OF THE
GROUND FIERCELY CONTESTED
--RESULTS IN PRINCIPAL GAMES
PLAYED SATURDAY.

By Associated Press.
Cambridge, Mass., Nov. 25.—By her
quickness in seizing the opportunity
afforded by a muffed punt, Yale today
won the annual football game with
Harvard by the score of 6 to 0. The
error, which was made by Nichols,
who had replaced Foster at left half
back, occurred near the close of the
second half, and but for it, as even
Yale admitted, the contest probably
would have resulted in a tie.

Harvard's unexpected ability to
solve and stop Yale's tackle forma-
tion was the feature of the game and
each side had to struggle time and
time again for the necessary five yards.
It usually took two or three downs
to cover the distance.

Yale captured the ball three times
and Harvard took the ball away from
Yale twice.

Forty-three thousand persons watch-
ed the game in weather as warm as
Indian summer. It was the largest
and most brilliant gathering ever seen
at a foot ball contest in this country.
